MEMORANDUM FOR: Chief, Planning, Programming & Budgeting Staff, NPIC
SUBJECT : R&D Project Naming Procedures
REFERENCE : RED SOP #1 dated 2 June 1970 Regarding Subject, Copy Attached

In order to compose and maintain explicit names for our R&D projects, we have devised the referenced procedure. While we were still refining it, an earlier version was sent to your office several months ago. Starting with the fiscal 1971 R&D Program, we plan to name our projects in accordance with this procedure and to keep you informed as indicated in paragraph 3.3 of the reference. If you have any questions or comments concerning this procedure, please do not hesitate to contact me. The attached copy is furnished
